

MAR 21 2001

UNITED STATES DEPARTMENT OF COMMERCE
Bureau of Export Administration
Washington, DC 20230

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Sigma-Aldrich Corporation
3050 Spruce Street
St. Louis, MO 63103

Attn: *David R. Harvey*
President and Chief Executive Officer

Dear Mr. Harvey:

The Office of Export Enforcement, Bureau of Export Administration, United States Department of Commerce (BXA), hereby charges that, as described in detail below, Sigma-Aldrich Corporation, as successor of the business of Research Biochemicals Limited Partnership, (Sigma- Aldrich) has violated the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2000)) (the Regulations),¹ issued under the Export Administration Act of 1979, as amended (50 U.S.C.A. app. §§ 2401-2420 (1991 & Supp. 2000) and Pub. L. No. 106-508) (the Act).²

Facts constituting violation:

Charges 1- 264

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, BXA alleges that on 264 separate occasions from on or about March 22, 1996 through on or about April 4, 1997, Sigma-Aldrich exported from the United States various toxins, including but

¹ The violations at issue occurred in 1996 and 1997. The Regulations governing the violations at issue are found in the 1996 through 1997 versions of the Code of Federal Regulations (15 C.F.R. Parts 768-799 (1996), as amended (61 Fed. Reg. 12714, March 25, 1996)) (hereinafter the former Regulations), and 15 C.F.R. Parts 730-774 (1997)). The March 25, 1996 *Federal Register* publication redesignated, but did not republish, the then-existing Regulations as 15 C.F.R. Parts 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the Regulations, designating them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former Regulations define the various violations that BXA alleges occurred during 1996. The Regulations define the various violations that BXA alleges occurred during 1997 and establish the procedures that apply to this matter.

² The Act expired on August 20, 1994. Executive Order 12924 (3 C.F.R. 1994 Comp. 917 (1995)), which had been extended by successive Presidential Notices, the most recent being that of August 3, 2000 (65 Fed. Reg. 48347, August 8, 2000), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C.A. §§ 1701-1706 (1991 & Supp. 2000)) until November 13, 2000 when the Act was reauthorized. See Pub. L. No. 106-508.

not limited to omega conotoxin MVIIC, omega conotoxin GVIA TFA salt, tetrodotoxin, tetrodotoxin citrate, and microcystin-Lr, items subject to the former Regulations and Regulations, to various destinations, including but not limited to France, Sweden, Netherlands, Germany, Norway, Austria, Mexico, United Kingdom, Japan and Taiwan, without obtaining Department of Commerce licenses as required by Section 778.8(a) of the former Regulations and Section 742.2 of the Regulations. BXA alleges that by exporting the toxins to any person or to any destination in violation of or contrary to the provisions of the Act or any regulation, order or license issued thereunder, Sigma-Aldrich committed 8 violations of Section 787.6 and 187 violations of Section 787A.6 of the former Regulations, and 74 violations of Section 764.2(a) of the Regulations, for a total of 264 violations.

Charges 265-303

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, on 39 separate occasions from or about March 22, 1996 through on or about April 4, 1997, Sigma-Aldrich prepared export control documents, as defined in Section 770.2 of the former Regulations and Part 772 of the Regulations, notably Shipper's Export Declarations, on which it represented that the various toxins did not require a validated license from the Department of Commerce for export from the United States to the various destinations, but that they qualified for export to the destinations under general license G-DEST of the former Regulations or NLR of the Regulations. However, these toxins did not qualify for export under the authorities cited by Sigma-Aldrich, and required validated licenses from the Department of Commerce for export from the United States to the various destinations. By making false or misleading statements of material fact, directly or indirectly, to a United States agency in connection with the preparation of export control documents to effect exports from the United States, BXA alleges that Sigma-Aldrich committed 1 violation of Section 787.5(a)(1) and 27 violations of Section 787A.5(a)(1) of the former Regulations, and 11 violations of Section 764.2(g)(1) of the Regulations, for a total of 39 violations.

Charges 304-366

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, BXA alleges that on 63 separate occasions, Sigma-Aldrich failed to maintain records, including copies of Shipper's Export Declarations and air waybills, as required by Section 762.2 of the Regulations. BXA alleges that, by failing to maintain records that were required to be kept under the Regulations, Sigma-Aldrich committed 63 violations of Section 764.2(i) of the Regulations.

Accordingly, Sigma-Aldrich is hereby notified that an administrative proceeding is instituted against it pursuant to Section 13(c) of the Act and Part 766 of the Regulations for the purpose of obtaining an order imposing administrative sanctions, including any or all of the following:

The maximum civil penalty allowed by law is \$10,000 per violation, subject to the inflation adjustment (see Section 764.3(a)(1) of the Regulations);³

Denial of export privileges (see Section 764.3(a)(2) of the Regulations); and/or

Exclusion from practice before BXA (see Section 764.3(a)(3) of the Regulations).

Copies of relevant Parts of the Regulations are enclosed.

If Sigma-Aldrich fails to answer the charges contained in this letter within 30 days after being served with notice of issuance of this letter as provided in Section 766.6 of the Regulations, that failure will be treated as a default under Section 766.7 of the Regulations.

Sigma-Aldrich is further notified that it is entitled to an agency hearing on the record as provided by Section 13(c) of the Act and Section 766.6 of the Regulations, if a written demand for one is filed with its answer, to be represented by counsel, and to seek a consent settlement.

Pursuant to an Interagency Agreement between BXA and the U.S. Coast Guard, the U.S. Coast Guard is providing administrative law judge services, to the extent that such services are required under the Regulations, in connection with the matters set forth in this letter. Accordingly, Sigma-Aldrich's answer should be filed with the U.S. Coast Guard ALJ Docketing Center, 40 S. Gay Street, Baltimore, Maryland 21202-4022, in accordance with the instructions in Section 766.5(a) of the Regulations. In addition, a copy of Sigma-Aldrich's answer should be served on BXA at the address set forth in Section 766.5(b), adding "ATTENTION: Melissa B. Mannino, Esq." below the address. Ms. Mannino may be contacted by telephone at (202) 482-5304.

Sincerely,

Mark D. Menefee
Director
Office of Export Enforcement

Enclosure

³ The maximum civil penalty for any violation committed after October 23, 1996 and prior to November 1, 2000 is \$1 1,000 per violation. See 15 C.F.R. § 6.4(a)(3) (2000).

MAR 21 2001

UNITED STATES DEPARTMENT OF COMMERCE
Bureau of Export Administration
Washington, D C 20230

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Sigma-Aldrich Business Holdings, Inc.
Corporation Trust Center
1209 Orange Street
Wilmington, Delaware 19801

Serve: The Corporation Trust Company

Dear Sirs and Madames:

The Office of Export Enforcement, Bureau of Export Administration, United States Department of Commerce (BXA), hereby charges that: as described in detail below, Sigma-Aldrich Business Holdings, Inc., as successor of the business of Research Biochemicals Limited Partnership, (SABH) has violated the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2000)) (the Regulations),¹ issued under the Export Administration Act of 1979, as amended (50 U.S.C.A. app. §§ 2401-2420 (1991 & Supp. 2000) and Pub. L. No. 106-508) (the Act).²

Facts constituting violation:

Charges 1- 264

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference. BXA alleges that on 264 separate occasions from on or about March 22, 1996 through on or about April 4, 1997, SABH exported from the United States various toxins, including but not limited to omega conotoxin MVIIC, omega conotoxin GVIA TFA salt, tetrodotoxin, tetrodotoxin citrate, and microcystin-lr, items subject to the former Regulations and Regulations, to various destinations, including but not limited to

¹ The violations at issue occurred in 1996 and 1997. The Regulations governing the violations at issue are found in the 1996 through 1997 versions of the Code of Federal Regulations (15 C.F.R. Parts 768-799 (1996), as amended (61 *Fed. Reg.* 12714, March 25, 1996)) (hereinafter the "former Regulations"), and 15 C.F.R. Parts 730-774 (1997)). The March 25, 1996 *Federal Register* publication redesignated, but did not republish, the then-existing Regulations as 15 C.F.R. Parts 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the Regulations, designating them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former Regulations define the various violations that BXA alleges occurred during 1996. The Regulations define the various violations that BXA alleges occurred during 1997 and establish the procedures that apply to this matter.

² The Act expired on August 20, 1994. Executive Order 12924 (3 C.F.R., 1994 Comp. 917 (1995)), which had been extended by successive Presidential Notices, the most recent being that of August 3, 2000 (65 *Fed. Reg.* 48347, August 8, 2000), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C.A. §§ 1701-1706 (1991 & Supp. 2000)) until November 2000 when the Act was reauthorized. See Pub. L. No. 106-508.

France, Sweden, Netherlands, Germany, Norway, Austria, Mexico, United Kingdom, Japan and Taiwan, without obtaining Department of Commerce licenses as required by Section 778.8(a) of the former Regulations and Section 742.2 of the Regulations. BXA alleges that by exporting the toxins to any person or to any destination in violation of or contrary to the provisions of the Act or any regulation, order or license issued thereunder, SABH committed 3 violations of Section 787.6 and 187 violations of Section 787A.6 of the former Regulations, and 74 violations of Section 764.2(a) of the Regulations, for a total of 264 violations.

Charges 265 - 303

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, on 39 separate occasions from or about March 22, 1996 through on or about April 4, 1997, SABH prepared export control documents, as defined in Section 770.2 of the former Regulations and Part 772 of the Regulations, notably Shipper's Export Declarations, on which it represented that the various toxins did not require a validated license from the Department of Commerce for export from the United States to the various destinations, but that they qualified for export to the destinations under general license G-DEST of the former Regulations or NLR of the Regulations. However, these toxins did not qualify for export under the authorities cited by SABH, and required validated licenses from the Department of Commerce for export from the United States to the various destinations. By making false or misleading statements of material fact, directly or indirectly, to a United States agency in connection with the preparation of export control documents to effect exports from the United States, BXA alleges that SABH committed 1 violation of Section 787.5(a)(1) and 27 violations of Section 787A.5(a)(1) of the former Regulations, and 11 violations of Section 764.2(g)(1) of the Regulations, for a total of 39 violations.

Charges 304-366

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, BXA alleges that on 63 separate occasions, SABH failed to maintain records, including copies of Shipper's Export Declarations and air waybills, as required by Section 762.2 of the Regulations. BXA alleges that, by failing to maintain records that were required to be kept under the Regulations, SABH committed 63 violations of Section 764.2(i) of the Regulations.

Accordingly, SABH is hereby notified that an administrative proceeding is instituted against it pursuant to Section 13(c) of the Act and Part 766 of the Regulations for the purpose of obtaining an order imposing administrative sanctions, including any or all of the following:

The maximum civil penalty allowed by law is \$10,000 per violation, subject to the inflation adjustment (*see* Section 764.3(a)(1) of the Regulations);

The maximum civil penalty for any violation committed after October 23, 1996 and prior to November 1, 2000 is \$11,000 per violation. *See* 15 C.F.R. § 6.4(a)(3) (2000).

Sigma-Aldrich Business Holdings, Inc.

Charging Letter

Page 3

Denial of export privileges (see Section 764.3(a)(2) of the Regulations); and/or

Exclusion from practice before BXA (see Section 764.3(a)(3) of the Regulations).

Copies of relevant Parts of the Regulations are enclosed.

If SABH fails to answer the charges contained in this letter within 30 days after being served with notice of issuance of this letter as provided in Section 766.6 of the Regulations, that failure will be treated as a default under Section 766.7 of the Regulations.

SABH is further notified that it is entitled to an agency hearing on the record as provided by Section 13(c) of the Act and Section 766.6 of the Regulations, if a written demand for one is filed with its answer, to be represented by counsel, and to seek a consent settlement.

Pursuant to an Interagency Agreement between BXA and the U.S. Coast Guard, the U.S. Coast Guard is providing administrative law judge services, to the extent that such services are required under the Regulations, in connection with the matters set forth in this letter. Accordingly, SABH's answer should be filed with the U.S. Coast Guard ALJ Docketing Center, 40 S. Gay Street, Baltimore, Maryland 21202-4022, in accordance with the instructions in Section 766.5(a) of the Regulations. In addition, a copy of SABH's answer should be served on BXA at the address set forth in Section 766.5(b), adding "ATTENTION: Melissa B. Mannino, Esq." below the address. Ms. Mannino may be contacted by telephone at (202) 482-5304.

Sincerely,

Mark D. Menefee
Director
Office of Export Enforcement

4 2001

UNITED STATES **DEPARTMENT** OF COMMERCE
Bureau of Export Administration
Washington, D.C. 20230

CERTIFIED MAIL - RETURN RECEIPT REQUESTED

Sigma Aldrich Research Biochemicals, Inc.
1 Strathmore Road
Natick, MA 01760

Attn: *Peter A. Gleich*
President

Dear Mr. Gleich:

The Office of Export Enforcement, Bureau of Export Administration, United States Department of Commerce (BXA), hereby charges that, as described in detail below, Sigma Aldrich Research Biochemicals, Inc., directly and as successor of the business of Research Biochemicals Limited Partnership, (Sigma Aldrich RBI), has violated the Export Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2000)) (the Regulations),¹ issued under the Export Administration Act of 1979, as amended (50 U.S.C.A. app. §§ 2401-2420 (1991 & Supp. 2000) and Pub. L. No. 106-508) (the Act).²

Facts constituting violation:

Charges 1- 704

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, BXA alleges that on 704 separate occasions from on or about January 6, 1995 through on or about April 27, 1998, Sigma Aldrich RBI exported from the United States various toxins, including but

¹ The violations at issue occurred from 1995 through 1998. The Regulations governing the violations at issue are found in the 1995 through 1998 versions of the Code of Federal Regulations (15 C.F.R. Parts 768-799 (1995) and 15 C.F.R. Parts 768-799 (1996), as amended (61 *Fed. Reg.* 127 14, March 25, 1996)) (hereinafter the "former Regulations"), and 15 C.F.R. Parts 730-774 (1997- 1998)). The March 25, 1996 *Federal Register* publication redesignated, but did not republish, the then-existing Regulations as 15 C.F.R. Parts 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the Regulations, designating them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former Regulations define the various violations that BXA alleges occurred from 1995 through December 31, 1996. The Regulations define the various violations that BXA alleges occurred on or after January 1, 1997 and establish the procedures that apply to this matter.

² The Act expired on August 20, 1994. Executive Order 12924 (3 C.F.R., 1994 Comp. 9 17 (1995)), which has been extended by successive Presidential Notices, the most recent being that of August 3, 2000 (65 *Fed. Reg.* 48347, August 8, 2000), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C.A. §§ 1701-1706 (1991 & Supp. 2000)) until November 13, 2000 when the Act was reauthorized. See Pub. L. No. 106-508.

not limited to omega conotoxin MVIIC, omega conotoxin GVIA TFA salt, tetrodotoxin, tetrodotoxin citrate, and microcystin-lr. items subject to the former Regulations and Regulations, to various destinations, including but not limited to France, Sweden, Netherlands, Germany, Norway, Austria, Mexico, United Kingdom, Japan and Taiwan, without obtaining Department of Commerce licenses as required by Section 778.8(a) of the former Regulations and Section 742.2 of the Regulations. BXA alleges that by exporting the toxins to any person or to any destination in violation of or contrary to the provisions of the Act or any regulation, order or license issued thereunder, Sigma Aldrich RBI committed 255 violations of Section 787.6 and 187 violations of Section 787A.6 of the former Regulations, and 262 violations of Section 764.2(a) of the Regulations, for a total of 704 violations.

Charges 705- 809

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, on 105 separate occasions from or about January 13, 1995 through on or about April 27, 1998, Sigma Aldrich RBI prepared export control documents, as defined in Section 770.2 of the former Regulations and Part 772 of the Regulations, notably Shipper's Export Declarations, on which it represented that the various toxins did not require a validated license from the Department of Commerce for export from the United States to the various destinations: but that they qualified for export to the destinations under general license G-DEST of the former Regulations or NLR of the Regulations. However, these toxins did not qualify for export under the authorities cited by Sigma Aldrich RBI, and required validated licenses from the Department of Commerce for export from the United States to the various destinations. By making false or misleading statements of material fact, directly or indirectly, to a United States agency in connection with the preparation of export control documents to effect exports from the United States, BXA alleges that Sigma Aldrich RBI committed 26 violations of Section 787.5(a)(1) and 27 violations of Section 787A.5(a)(1) of the former Regulations, and 52 violations of Section 764.2(g)(1) of the Regulations, for a total of 105 violations.

Charges 810-1019

As described in greater detail in Schedule A, which is enclosed herewith and incorporated herein by reference, BXA alleges that on 210 separate occasions, Sigma Aldrich RBI failed to maintain records, including copies of Shipper's Export Declarations and air waybills, as required by Section 762.2 of the Regulations. BXA alleges that, by failing to maintain records that were required to be kept under the Regulations, Sigma Aldrich committed 210 violations of Section 764.2(i) of the Regulations.

Accordingly, Sigma Aldrich RBI is hereby notified that an administrative proceeding is instituted against it pursuant to Section 13(c) of the Act and Part 766 of the Regulations for the purpose of obtaining an order imposing administrative sanctions, including any or all of the following:

The maximum civil penalty allowed by law is \$10,000 per violation, subject to the inflation adjustment (see Section 764.3(a)(1) of the Regulations);³

Denial of export privileges (see Section 764.3(a)(2) of the Regulations); and/or

Exclusion from practice before BXA (see Section 764.3(a)(3) of the Regulations).

Copies of relevant Parts of the Regulations are enclosed.

If Sigma Aldrich RBI fails to answer the charges contained in this letter within 30 days after being served with notice of issuance of this letter as provided in Section 766.6 of the Regulations, that failure will be treated as a default under Section 766.7 of the Regulations.

Sigma Aldrich RBI is further notified that it is entitled to an agency hearing on the record as provided by Section 13(c) of the Act and Section 766.6 of the Regulations, if a written demand for one is filed with its answer, to be represented by counsel, and to seek a consent settlement.

Pursuant to an Interagency Agreement between BXA and the U.S. Coast Guard, the U.S. Coast Guard is providing administrative law judge services, to the extent that such services are required under the Regulations, in connection with the matters set forth in this letter. Accordingly, Sigma Aldrich RBI's answer should be filed with the U.S. Coast Guard ALJ Docketing Center, 40 S. Gay Street, Baltimore, Maryland 21202-4022, in accordance with the instructions in Section 766.5(a) of the Regulations. In addition, a copy of Sigma Aldrich RBI's answer should be served on BXA at the address set forth in Section 766.5(b), adding "ATTENTION: Melissa B. Mannino, Esq." below the address. Ms. Mannino may be contacted by telephone at (202) 482-5304.

Sincerely,

Mark D. Menefee
Director
Office of Export Enforcement

Enclosure

³ The maximum civil penalty for any violation committed after October 23, 1996 and prior to November 1, 2000 is \$11,000 per violation. See 15 C.F.R. § 6.4(a)(3) (2000).

UNITED STATES DEPARTMENT OF COMMERCE
BUREAU OF INDUSTRY AND SECURITY

In the Matter of:

Sigma-Aldrich Business Holdings, Inc.;

Case No. 01-BXA-06

Sigma- Aldrich Corporation; and

Case No. 01 BXA-07

Sigma Aldrich Research Biochemicals, Inc.

Case No. 01-BXA-11

Respondents

BEFORE: PETER A. FITZPATRICK
· ADMINISTRATIVE LAW JUDGE

ORDER DENYING RESPONDENTS' MOTIONS FOR SUMMARY DECISION

I.
OVERVIEW

1. These proceedings arise from three separate complaints issued by the Bureau of Industry and Security ("BIS" or "Agency"), formerly the Bureau of Export Administration, against Respondents Sigma-Aldrich Business Holdings (SABH) on March 23, 2001; Sigma-Aldrich Corporation (SAC) on April 2, 2001; and Sigma-Aldrich Research Biochemicals (SARB) on May 29, 2001. The complaints issued by the Agency allege identical violations of the U.S. export control regulations relating to the export of goods without the required license, making false or misleading statements, and failure to maintain records. See, 15 CFR Parts 768-799 (1995); 15 CFR Parts 768-799 (1996); and 15 CFR Parts 730-774 (2000).¹ The Agency

¹ The violations at issue occurred from 1995 through 1998. As such, the regulations governing the violations at issue are found in the 1995 through 1998 versions of the Code of Federal regulations: 15 C.F.R. Parts 768-799 (1995); 15 C.F.R. Parts 768-799 (1996), as amended (61 Fed Reg. 12714, March 25, 1996); and 15 C.F.R. Parts 730-774 (1997-1998). The March 25, 1996 *Federal Register* publication re-designated, but did not republish, the regulations existing at that time as 15 C.F.R. Part 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the regulations, designating

seeks to impose liability on Respondents SABH and SAC as successors in interest to Research Biochemicals Limited Partnership (RBLP), a company that sold its partnership interests to these Respondents on April 9, 1997. In addition, the Agency seeks to impose liability against Respondent SARB as both a successor for violations occurring before the transfer of interest on April 9, 1997 and as the actual wrongdoer for violations occurring after the transfer.

These proceedings were transferred to the United States Coast Guard, Administrative Law Judge Docketing Center, for adjudication pursuant to an interagency agreement between BIS and the Coast Guard dated May 19, 1999. See also 50 USC §2412(d), 5 USC §3344, and 5 CFR §930.2 13. That agreement was renewed annually and is still in effect. The above captioned cases were assigned to the undersigned and were consolidated on July 5, 2001.

On March 5, 2002, Respondents filed Motions for Summary Decision pursuant to 15 CFR § 766.8 (2002), seeking the dismissal of all charges against Respondents SAC and SABH as successors in interest and all against SARB relating to exports that allegedly took place prior to April 9, 1997. In addition, Respondent SARB moves for Summary Decision dismissing all charges relating to the exports of a toxic chemical, tetrodotoxin citrate, which Respondents assert was not listed as a controlled item requiring a license at the time of the alleged exports. Also, Respondent SARB moves to dismiss all requests by the Agency for an order denying the Respondent's export privileges or right to practice before the Bureau of Industry and Security. Similarly, in the event SAC's and SABH's motions are denied, they move, in the alternative, for Summary Decision dismissing all charges against them relating to exports of tetrodotoxin citrate and all requests for an order denying their export privileges before BIS.

them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former regulations define the various violations that BIS alleges occurred from 1995 through December 31, 1996. The current regulations define the various violations that BIS alleges occurred on or after January 1, 1997.

On March 28, 2002, the Agency's Opposition to Respondents' Motions for Summary Judgment was filed. The Respondents' filed a reply brief on April 5, 2002. Oral arguments were presented at a hearing on the motions on June 6, 2002 in Baltimore, Maryland. Anstruther Davidson, Esq. and Melissa B. Mannino, Esq. represented the Agency at the hearing. Counsel for the Respondents were Aaron X. Fellmeth, Esq., Stanley Marcuss, Esq., and Rodney F Page, Esq., Brian Cave LLP, Washington, D.C.²

2. Summary judgment is appropriate only where there is no genuine issue of material fact and where the moving party is entitled to a judgment as a matter of law. *See*, 15 C.F.R. § 766.8. One of the principal purposes of the summary decision or judgment is to isolate and dispose of factually unsupported claims or defenses. *Celotex Corp. v. Catrett*, 477 U.S. 317 (1986). Disputes over facts that might affect the outcome will preclude the entry of summary judgment. *See, Anderson v. Liberty Lobby, Inc.*, 477 U.S. 242 (1986). When reviewing pleadings, affidavits and other evidence, the court must draw all reasonable, factual inferences in favor of the nonmoving party.: In short, summary judgment is appropriate if the evidence is such that no reasonable fact finder could return a verdict for the nonmoving party. *See Lewis v. State of Oklahoma ex rel. Bd. of Regents for Tulsa Community College*, 2002 WL 1316810 (2002); *see also, Miccosukee Tribe of Indians of Florida v. South Florida Water Management Dist.*, 280 F.3d 1364, 1367 (2002).

3. At the hearing, the Respondents' Motion for Summary Decision was denied with respect to their argument that BIS lacks the statutory authority to impose a denial of export privileges. More specifically, I followed the reasoning in *Iran Air v. Kugelman*, 996 F. 2d 1253

² At the hearing I announced that good cause exists in this case to extend the one year period imposed at 15 CFR § 766.17 for disposition of the case including review by the Under Secretary. The issues raised here are complex and every effort has been made to accommodate the joint recommendations of the

(D.C. Cir. 1993), which held that applicable statutes and agency regulations are deemed precedent, and once the agency has ruled on a given matter, it is not open for re-argument. See 996 F.2d at 1260. In this case, the Export Administration Regulations (EAR) provide for the denial of export privileges as a possible penalty for violations of the export control regulations; therefore, there is no basis before this forum for- invalidating the clear rule and practice of the Agency. See. 15 CFR § 764.3(a)(2).

4. Additionally, the Respondents' raise the following issues, which will be addressed in greater detail:

- (a) All charges in the Charging Letters based on the alleged impennissible exports of tetrodotoxin citrate must be dismissed because the EAR does not prohibit exports of that specific mixture without a license.
- (b) There is no statutory basis or precedent for the creation of successor liability under the EAR.
- (c) Alternatively, even if successor liability were permissible under the Export Control Regulations, it would be unfair to impose liability on these innocent purchasers when the predecessor is capable of providing relief. Moreover, each Respondent here cannot simultaneously have been the successor to RBLP's business.
- (ci) Finally, all charges against Respondents SAC and SABH should be dismissed because they cannot be regarded as successors to RBLP's business since only partnership interests, not assets, were acquired.

parties regarding the schedule of the litigation. The case will move forward as expeditiously as possible. See Transcript 4-5.

After reviewing these arguments and reviewing the transcript, pleadings and exhibits, I find that the Respondents' are not entitled to Summary Decision as a matter of law. Also, issues of material fact remain to be decided.

II.

DISCUSSION

1. Several of the charges against the Respondents relate the export without a license of tetrodotoxin citrate, a toxic compound. Tetrodotoxin is listed as a controlled toxin on the Commerce Control List (CCL) under the Export' Control Classification Number (ECCN) 1C351. *See*. 15 CFR § 774, Supp. 1. Tetrodotoxin citrate is tetrodotoxin packaged in a citrate buffer as a protective measure. As such, tetrodotoxin citrate is not a chemical derivative of tetrodotoxin but rather a mixture of tetrodotoxin and citric acid. Exporting tetrodotoxin in a citrate buffer is similar to exporting it in packaging material. Therefore, it requires a license from the Department of Commerce before being exported from the United States to the destinations listed in the Charging Letters.

Respondents acknowledge that tetrodotoxin citrate is a mixture that contains tetrodotoxin but urge that since mixtures are specifically discussed elsewhere in the EAR, but not in the section pertaining to tetrodotoxin, the regulations here exclude coverage of tetrodotoxin mixtures. It is clear, however, from the language used throughout the EAR that sections pertaining to mixtures have the specific effect of excluding items from control rather than including them. Without that language, a mixture containing any quantity of a controlled substance, regardless of how minute, would be controlled. In essence, this language excludes select mixtures for the benefit of exporters. Although there is specific language in ECCN 1C351 that excludes certain items, such as vaccines and immunotoxins, from coverage, similar exclusion language is not included in ECCN 1C351 for mixtures. Therefore, it is apparent that

while the words “tetrodotoxin citrate” are not on the list, tetrodotoxin citrate, as a mixture of tetrodotoxin, is covered by ECCN 1C351 and its predecessor entry, ECCN 1C61B. See, 15 CFR §744, supp 1.

2. Successor liability can be applied under the export control regulations. First, the International Emergency Economic Powers Act (IEEPA) imposes liability on any “person” who commits a violation.³ More specifically, a civil penalty up to \$10,000 may be imposed on any “person” who violates a license, order or regulation. See, 50 USC §1705. For violations occurring after October 23, 1996, the maximum fine is \$11,000. See, 28 USC 2461, see also 15 CFR 6.4(A)(2). Under the federal rules of statutory construction, the term “person” includes “corporations, companies, associations, firms, partnerships, societies and joint stock companies, as well as individuals.” 1 USC §1. The federal rules of statutory construction further inform us that when “company” or “association” are used in reference to a corporation, they shall be deemed to include successors and assigns. See, 1 USC §5. By implication, Congress must have considered the word “corporation” to include corporate successors. See, *U.S. v. Mexico Feed and Seed Co., Inc.*, 980 F.2d 478, (8th Cir. 1992); see also, *B.F. Goodrich v. Betkoski*, 99 F.3d 505, (2nd Cir. 1996)

In addition, the export regulations evince a clear intent to apply their remedies beyond just the “persons” who commit violations. For example, the term “person” is specifically defined

³ The Export Administration Regulations were issued under the Export Administration Act of 1979, as amended 50 U.S.C.A. §§ 2401-2420 (1991 & Supp 2000). Although the Act expired on August 20, 1994, Executive Order 1294, which has been extended by successive Presidential Notices, continued the Regulations in effect under the International Emergency Economic Powers Act. See 50 U.S. CA 1701-1706 (1991 & Supp 2000).

in the EAR as “a natural person, including a citizen or national of the United States of any foreign country; any firm; any government, government agency, government department, or government commission; any labor union; any fraternal or social organization; and any other association or organization whether or not organized for profit.” See, 15 CFR §772.1. The intent to apply remedies to successors is reflected in the provision governing “related persons.” which states in part that orders affecting export privileges may be applied “not only to the respondent, but also to other persons then or thereafter related to the respondent by ownership, control, position of responsibility, affiliation, or other connection in the conduct of trade or business.” See, 15 CFR § 76623(a). As such, both the language and intent of the IEEPA and EAR strongly suggest that “successors” should not be excluded from liability.

3. In order to address the issue of whether the Respondents assumed liability under the export control regulations when they purchased the assets and partnership interests of a predecessor company, the traditional rules of successor liability must be applied. A number of courts have recognized the importance of national uniformity, rather than the successor liability law of a particular state. See, *Smith Lund & Imp. Corp. v. Celotex Corp.*, 85 1 F.2d 86 (3rd Cir. 1988) (instructing District Court to consider national uniformity in resolving successor liability issues under CERCLA); see also, *U.S. v. Mexico Feed and Seed Co*, 980 F.2d at 487 (upholding the application of federal law); *Louisiana-Pacific Corp. v. Asarco, Inc.*, 909 F.2d 1260 (9th Cir. 1990) (deeming appropriate a federal rule that relies on traditional common law notions because of the need for national uniformity).

Under these traditional rules, asset purchasers are not liable as successors unless one of the following four exceptions applies: (1) The purchasing corporation expressly or impliedly agrees to assume the liability; (2) The transaction amounts to a de facto consolidation or merger;

(3) The purchasing corporation is merely a continuation of the selling corporation; or (4) The transaction was fraudulently entered into in order to escape liability. See, *Allied Corp. v. Acme Solvents Reclaiming, Inc.*, 512 F.Supp. 124 (N.D. Ill. 1993); see also, *Atlantic Richfield Co. v. Blosenski* 547 F.Supp. 126 1 (E.D. Pa. 1994); *Sylvester Bros. Development Co. v. Burlington Northern R. R.*, 772 F.Supp. 443 (D. Minn. 1990); U.S. i. *Carolina Transformer Co.*, 978 F.2d 832 (4th Cir. 1992); U.S. v *Mexico Feed and Seed Co., Inc.*, 980 F.2d 478, (8th Cir. 1992); *Canadyne-Georgia Corp. v. Cleveland*, 72 F.Supp.2d 1373 (M.D. Ga. 1999).

The exceptions to the traditional rules of successor liability prevent a corporation from escaping its liabilities merely by changing hats. As such, close scrutiny must be given to corporate realities, rather than a mechanical application of a multi-factor test. See, *Gallenberg Equipment, Inc. v. Agromac Intern., Inc.*, 10 F.Supp.2d 1050 (E.D. Wis. 1998). Therefore, in deciding whether to apply the mere continuation or de facto merger exception, several courts have held that there must be a transfer of assets and business from one corporation to another in exchange for securities. See, *Baker's Carpet Gallery, Inc. v. Mohawk Industries, Inc.*, 942 F.Supp. 1464 (N.D. Ga. 1996); see a/so, *Liberty Mut. Ins. Co. v. Household Intern*, 136 F.Supp.2d 5 (D. Mas. 2001); *Gallenberg Equipment, Inc. v. Agromac Intern., Inc.*, 10 F.Supp.2d 1050 (E.D. Wis. 1998). At the very least, there must be some sort of continuation of the stockholders' ownership interests. See, *Taylor v. Atlas Safety Equip, Co., inc.*, 808 F.Supp. 1246 (E.D. Va. 1992); see also, *Crawford Harbor Associates v. Blake Const. Co., Inc.*: 66 1 F.Supp. 880 (E.D. Va. 1987). Even if the corporation sells its entire business operation and all its assets to another corporation, in exchange for some consideration other than stock, the two corporate entities remain distinct and intact. See, *Bud Antle, Inc. v. Eastern Foods, Inc.*, 758 F.2d 145 1 (11th Cir. 1985); see also, *Harris v. T.I., Inc.*, 413 S.E.2d 605 (Va. 1992); see also. *Ney v.*

Landmark Educ. Corp., 16 F.3d 410 (1994); *Liberty Mut. Ins. Co. v. Household Intern*, 136 F.Supp.2d 5 (D. Mass. 2001). For example, where the assets are sold for cash rather than stock, no basic fundamental change occurs in the relationship of the stockholders to their respective corporations. See, *Bud Antle, Inc. v. Eastern Foods, Inc.*, 758 F.2d at 1458. Given the absent continuity of shareholder interest, the two corporations remain strangers, both before and after the sale. *See Bud Antle, Inc. v. Eastern Foods, Inc.*, 758 F.2d at 1457.

Several courts however have applied a broadened "mere continuation" theory commonly known as the "substantial continuity" exception, which eliminates the requirement for a continuity of shareholders. See, *Gould, Inc. v. A & M Battery and Tire Service*, 950 F.Supp. 653 (M.D. Pa. 1997); see also, *B.F. Goodrich v. Betkoski*, 99 F.3d 505 (2nd Cir. 1996). Under this theory, a literal "purchase" of assets is not required to establish successor liability so long as there is some form of a "transfer" of assets. See, *State of N. Y. v. N. Storonske Cooperage Co., Inc.*, 174 B.R. 366 (N.D. N.Y. 1994). Among the factors to be considered under the "substantial continuity" approach are whether the successor: (1) retains the same employees, supervisory personnel and the same production facilities in the same location; (2) continues production of the same products; (3) retains the same business name; (4) maintains the same assets and general business operations; and (5) holds itself out to the public as a continuation of the previous corporation. See, *Allied Corp. v. Acme Solvents Reclaiming, Inc.*, 812 F.Supp. 114 (N.D. Ill. 1993); see also, *Atlantic Richfield Co. v. Blosenski* 837 F.Supp.1261 (E.D. Pa. 1994); *Gould, Inc. v. A & M Battery and Tire Service*, 950 F.Supp. 653 (M.D. Pa. 1997).

Although the substantial continuity exception has been interpreted to require knowledge of potential liability on the part of the successor corporation, at least one court has held that knowledge can be inferred from the facts, taken in totality of the circumstances. See, *Gould, Inc.*

v. A & M Battery and Tire Service, 950 F.Supp. 653 (M.D.Pa. 1997). For example, it is easy to infer knowledge or notice when the successor holds itself out as the continuation of the previous enterprise by retaining the same employees, the same supervisory personnel, the same production facilities in the same location, produces the same product, and maintains a continuity of assets and the general business operations. See, 950 F.Supp. at 659.

The policy behind applying the more flexible substantial continuity exception to successor liability is to preclude responsible parties from using corporate formalities to escape liability. To date, the test has been used in the context of both labor relations, and federal environmental regulations. See, *Musikiwamba v. ESSI, Inc.*, 760 F.2d 740 (7th Cir. 1985); see also, *U.S. v. Mexico Feed and Seed Co., Inc.*, 980 F.2d 478, (8th Cir. 1992). The substantial continuity theory would be an appropriate test for successor liability under the EAR.

4. The common law rules of successor liability and its exceptions generally apply regardless of whether the predecessor or successor organization was a corporation, individual, or some other form of business organization. See, *Tift v. Forage King Industries, Inc.*, 322 N.W.2d 14 (Wis. 1982); see also, *Baker v. Dorfman*, 2000 WL 10 10285 (S.D.N.Y. 2000); *Carter Enterprises, Inc. v. Ashland Specialty Co., Inc.*, 257 B.R. 797 (S.D. W.Va. 2001). In addition, responsible parties may be held jointly and severally liable. See, *Oner II, Inc. v. E. P.A.*, 597 F.2d 184 (1st Cir. 1979) (Agency was allowed to charge more than one respondent for successor liability under the doctrine of joint and several liability).

In addition, the doctrine of successor liability may be applied even when the Agency does not assert charges against the predecessor corporation. As such, the Respondents' assertion that RBLP, as the predecessor corporation, must be unavailable before its successors can be held liable, is unavailing. Instead, the more important question is whether the predecessor is merely a

hollow shell or an entity with assets answerable to judgments, Because it is not always the case that a corporation purchased by a second corporation disappears as a legal entity and cannot be sued, a successor business organization cannot avoid liability simply because its predecessor is a proper defendant. *See, Tift v. Forage King Industries, Inc.*, 322 N.W.2d 14 (Wis. 1982).

Rather, the successor corporations may be sued, as well as the original proprietorship. *See, id.*

In this case, the Respondents argue that although RBLP was dissolved under Delaware state law for failing to pay its taxes, it was sufficiently alive and existed at the time the action was instituted to permit it to be sued. However, when the Agency issued the charging letters, RBLP had transferred all of its assets, obligations, past contracts and liabilities to the Respondents. Moreover, given its status as a dissolved corporation, RBLP was prevented from conducting future business. Suffice it to say, RBLP was no longer viable as it existed for nearly five years (1997-2002). It was merely a legal formality and was devoid of any significant assets.

Finally, liability may be extended to successors corporations for the purpose of enforcing statutes by assessing civil penalties. Although Respondents contend that the successor liability doctrine was developed solely for remedial purposes, successor liability has been imposed to protect the public interest, as well as to prevent the purpose of federal regulations from being circumvented by corporate structuring formalities. For example, in *Oner II, Inc. v. E.P.A.*, 597 F.2d 184 (19th Cir. 1979), the District Court held that “an agency may pursue the objectives of the Act by imposing successor liability where it will facilitate enforcement of the Act.” *See*, 597 F.2d at 186. In *Oner II*, a successor corporation was held liable for violations of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA) because the Agency’s authority to extend

liability to successor corporations stems from the purpose of the statute it administers. See, 597 F.2d at 186.

Just as the purpose of FIFRA is to regulate pesticides and protect the national environment, the primary objective behind the export control regulations is to protect the national security and safeguard the public from potential harm. More specifically, a review of the applicable regulations reveals that the export control provision of the EAR are designed to limit the military and terrorism support capacity of certain countries and to restrict the access of items, such as weapons of mass destruction, that may be used by countries or persons wishing to harm U.S. interests. See, 15 CFR 730.6. National security interest considerations are provided for in 15 CFR § 342.4. which states in part “it is the policy of the U.S. to restrict the export and re-export of items that would make a significant contribution of countries that would prove detrimental to the national security of the United States.” See, 15 CFR § 742.4(a). As such, successor liability would not only further the purpose of IEEPA and the EAR, but the policies behind the regulations would be sharply curtailed and the enforcement of the Act unnecessarily hampered if it was not applied.

5. Applying the rules of successor liability and its exemptions, Respondent SARB shows all of the hallmark signs of substantial continuity in the present case. Following the terms of the Bill and Sale and Assignment and Assumption Agreement, RBLP transferred all rights, title and interest in its assets to SARB on April 9, 1997. The Bill of Sale further defines the term assets to include “all assets, property, associated rights and interest, real, personal and mixed, tangible and intangible.” In addition, the Novation Agreement provided in the Bill of Sale reveals that SARB, as the transferee, agreed to fully perform all obligations under preexisting contracts and purchase orders. Similarly, SARB agreed to assume all preexisting liabilities and claims against

RBLP. The record further shows that after SARB acquired all business assets from RBLP, it continued RBLP's export practices without interruption. Thus, SARB appears to be a substantial continuation of RBLP's business as well as a successor in interest of that partnership.

Questions of fact arise regarding the precise nature of the relationship between all the Respondents in this transaction. First, according to the Purchase Agreement signed on April 9, 1997, approximately \$18 million dollars was paid by Respondents SAC and SABH in return for 100% of RBLP's partnership units. The partnership units were split between the two corporations, with SAC acquiring approximately 1% and SABH acquiring approximately 99%. According to the Purchase Agreement, the transaction was arrived at by arms-length negotiations and properly reflected fair market value. Moreover, Article I of the Purchase Agreement clearly indicates that only partnership units were transferred, as there is no reference to an exchange of assets, obligations or liabilities. Ordinarily, Respondents SAC and SABH would not be considered successors in interest under the above scenario. An entity that holds partnership units in another company is not liable for that company's wrongdoing, unless it can be shown that the partners were controlling the operations of that company. However, the undersigned is not convinced that Respondents SAC and SABH purchased only RBLP's partnership units. According to the Declaration of Michael Hogan, RBLP sold all its assets and business to Respondent SARB. (Respondent Exhibit J, paragraph 9). Yet the record here is devoid of any consideration paid by Respondent SARB in exchange for RBLP's assets and business. The only consideration in evidence that was exchanged between any of the parties was the sum of \$18 million dollars allegedly paid by Respondents SAC and SABH for RBLP's partnership units. Therefore, the issue remains whether RBLP gratuitously transferred its assets and business to

Respondents SARB, or whether RBLP's assets and liabilities were first acquired by Respondents SAC and SABH before being transferred to Respondent SARB.

III. ORDER

WHEREFORE,

IT IS HEREBY ORDERED that Respondents' Motions for Summary Decision on the grounds that tetrodotoxin citrate was not a controlled item requiring a license from the Department of Commerce at the time of the alleged exports is DENIED.

IT IS FURTHER ORDERED that Respondents' Motions for Summary Decision on the grounds that the export control regulations do not provide for successor liability is DENIED.

IT IS FURTHER ORDERED that Respondents' Motions for Summary Decision on the grounds that the Respondents can not be liable as successors in interest is DENIED.

IT IS FURTHER ORDERED that Respondents' Motions for Summary Decision on the grounds that the Agency (BIS) lacks statutory authority to impose a denial of export privilege is DENIED.

IT IS FURTHER ORDERED that the hearing in this case will commence, as follows:

November 4, 2002 @ 1330 hours
United States Custom House
United States Coast Guard
ALJ Courtroom, Room 403
40 South Gay Street
Baltimore, Maryland 21202

IT IS FURTHER ORDERED that the parties and their counsel, are **DIRECTED TO BE PRESENT** at the hearing with all of their witnesses and/or exhibits, or stipulations with the opposing party in lieu of same. The parties are to be fully prepared to proceed with the hearings

until they are concluded. Failure to appear as now directed, in the absence of any contrary instruction from the above office or for good cause shown, may result in an immediate ruling or disposition adverse to the failing party's interests.

SETTLEMENT AGREEMENT

This Settlement Agreement (Agreement) is made by and among Respondents, Sigma Aldrich Research Biochemicals, Inc. (SARBI), Sigma-Aldrich Corporation (SAC), and Sigma Aldrich Business Holdings, Inc. (SABH), (Respondents are collectively referred to as Sigma Aldrich); and the Bureau of Industry and Security, United States Department of Commerce (**BIS**) (collectively referred to as the Parties), pursuant to **Section** 766.1 **8(b)** of the Export Administration Regulations (15 C.F.R. Parts 730-774 (2002)) (the Regulations),¹ issued pursuant to the Export Administration Act of 1979, as amended (50

¹ The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2002). The alleged violations occurred from 1996 through 1998. The Regulations governing the alleged violations at issue are found in the 1996 through 1998 versions of the Code of Federal Regulations (15 C.F.R. 15 C.F.R. Parts 768-799 (1996), as amended (6 1 *Fed. Reg.* 127 14, March 25, 1996)) (former Regulations), and 15 C.F.R. Parts 730-774 (1997-1 998)). The March 25, 1996 *Federal Register* publication redesignated, but did not republish, the then-existing Regulations as 15 C.F.R. Parts 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the Regulations, designating them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former Regulations define the various violations that BIS alleges occurred through December 31, 1996. The Regulations define the various violations that BIS alleges occurred on or after January 1, 1997 and establish the procedures that apply to this matter.

U.S.C. app. §§ 2401-2420 (1994 & Supp. V 1999)) (Act),² and which are currently maintained in force under the International Emergency Economic Powers Act (50 U.S.C. § 1701 - 1706 (1994 & Supp. V 1999)).

WHEREAS, BIS has initiated an administrative proceeding against Sigma Aldrich, case numbers 01 -BXA-06, 01 -BXA-07, and 01 -BXA-11, pursuant to the Act and the Regulations;

WHEREAS, Sigma Aldrich has received notice of issuance of the Charging Letters pursuant to Section 766.3(b) of the Regulations;

WHEREAS, Sigma Aldrich has reviewed the Charging Letters and is aware of the allegations made against it and the administrative sanctions which could be imposed against it if the allegations are found to be true;

WHEREAS, Sigma Aldrich fully understands the terms of this Agreement and the Order that will be issued to give effect to this Settlement Agreement (Order);

WHEREAS, Sigma Aldrich enters into this Agreement voluntarily and with full knowledge of its rights;

WHEREAS, Sigma Aldrich states that no promises or representations have been made to it other than the agreements and considerations herein expressed;

²50 U.S.C. app. 2401- 2420 (1994 & Supp. V 1999). From August 21, 1994 through November 12, 2000, the Act was in lapse. During that period, the President, through Executive Order 12924, which had been extended by successive Presidential Notices, the last of which was August 3, 2000 (3 C.F.R., 2000 Comp. 397 (2001)), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701 - 1706 (1994 & Supp. V 1999)) (IEEPA). On November 13, 2000, the Act was reauthorized by Pub. L. No. 106-508 and it remained in effect through August 20, 2001. Since August 21, 2001, the Act has been in lapse and the President, through Executive Order 13222, which has been extended by a Presidential Notice of August 14, 2002 (67 *Fed. Reg.* 159 (August 16, 2002)), has continued the Regulations in effect under IEEPA. The Act and Regulations are available on the Government Printing Office website at: <http://w3.access.gpo.gov/bis/>.

WHEREAS, this Settlement Agreement constitutes neither an admission nor denial of the allegations contained in the Charging Letters;

WHEREAS, Sigma Aldrich wishes to settle and dispose of all matters alleged in the Charging Letters by entering into this Agreement; and

WHEREAS, Sigma Aldrich agrees to be bound by the Order, when entered;

NOW THEREFORE, the Parties hereby agree as follows:

1. BIS has jurisdiction over Sigma **Aldrich, under** the Regulations, in connection with the matters alleged in the Charging Letters.

2. BIS and Sigma Aldrich shall settle the administrative cases against Sigma Aldrich with a civil penalty based on the following 3 18 charges:

- a. *80 Violations of 15 C.F.R. §§ 787A. 6 and 764.2(a): Exporting Biological Toxins without the Required Department of Commerce Export Licenses.*

BIS alleges that on 80 occasions, from on or about December 20, 1996 through on or about April 4, 1997, Research **Biochemicals** Limited Partnership (RBLP), a **firm** that Sigma-Aldrich later acquired, exported **from** the United States biological toxins, namely omega conotoxin MVIIC, omega conotoxin **GVIA** TFA salt, tetrodotoxin, tetrodotoxin citrate, and **microcystin-lr**, to various destinations, including France, Sweden, Netherlands, Germany, Korea, United Kingdom, Japan and Taiwan, without obtaining the required Department of Commerce licenses. The biological toxins were covered by export control classification number (ECCN) 1 C6 1 B of the former Regulations and ECCN 1 C35 1 of the Regulations. Pursuant to Section 778.8(a) of the former Regulations and Section 742.2 of the Regulations, a Department of Commerce export license was required to export the biological toxins from the United States to the specified destinations. SARBI, as the successor of RBLP, is liable for these violations of the former

Regulations and Regulations. For further details, see attachment A, which is enclosed and incorporated herein by reference.

b. *188 Violations of 15 C. F. R § 764.2(a): Exporting Biological Toxins without the Required Department of Commerce Export Licenses.*

BIS alleges that on 188 occasions, from on or about April 10, 1997 through on or about April 27, 1998, SARBI exported from the United States biological toxins, namely omega conotoxin MVIIC, omega conotoxin GVIA TFA salt, tetrodotoxin, tetrodotoxin citrate, and microcystin-Lr, to various destinations, including France, Netherlands, Germany, Turkey, India, Korea, United Kingdom, **Japan and Taiwan**, without obtaining the required Department of Commerce export licenses. The biological toxins were covered by ECCN 1 C35 1 of the Regulations. Pursuant to Section 742.2 of the Regulations, a Department of Commerce export license was required to export the biological toxins from the United States to the specified destinations. For further details, see attachment B, which is enclosed and incorporated herein by reference.

c. *25 Violations of 15 C. F.R. §764.2(g) - Material Misrepresentations on Shipper's Export Declarations Concerning Authority to Export.*

BIS alleges that on 25 occasions, from on or about April 24, 1997 through on or about November 18, 1997, SARBI made or caused to be made false and misleading statements of material fact to an official of the U.S. Government by filing or causing to be filed 25 Shipper's Export Declarations³ (SEDs) that stated that no license was required (NLR) for the export of the biological toxins from the United States to their specified destinations. These statements were false, as the biological toxins that were the subject of the SEDs required licenses from the Department of Commerce for export. See attachment B.

³ Shipper's Export Declarations are export control documents, as defined in Part 772 of the Regulations.

d. *25 Violations of 15 C.F.R. § 764.2(i) - Failure to Keep the Required Records.*

BIS alleges that on 25 occasions, from April 22, 1997 through on or about June 1, 1997, SARBI failed to maintain records, including copies of Shipper's Export Declarations and air waybills, for exports that it made as required by Section 762.2 of the Regulations. See attachment B.

3. In complete settlement and satisfaction of case numbers 01 -BXA-06, 01 -BXA-07, and 01 -BXA-11 and withdrawal of the Charging Letters from adjudication in those cases:

- a. SARBI shall be assessed a civil penalty in the amount of \$1,760,000. Payment of the civil penalty shall be made to the U.S. Department of Commerce within 30 days from the date of entry of the Order. Payment of the civil penalty is guaranteed by SAC and SABH, SARBI's parent corporations.
- b. The timely payment of the civil penalty agreed to in paragraph 3 .a. is hereby made a condition to the granting, restoration, or continuing validity of any export license, permission, or privilege granted, or to be granted, to Sigma Aldrich. Failure to make timely payment of the civil penalty set forth above shall result in the denial of all of Sigma Aldrich's export privileges for a period of one year from the date of imposition of the penalty.

4. Subject to the approval of this Agreement pursuant to paragraph 9 hereof, Sigma Aldrich hereby waives all rights to further procedural steps in this matter (except with respect to any alleged violations of this Agreement or the Order, when entered), including, without limitation, any right to: (a) an administrative hearing regarding the allegations in the Charging Letters; (b) request a refund of any civil penalty paid pursuant to this Agreement and the Order, when entered; and (c) seek judicial review or otherwise contest the validity of this Agreement or the Order, when entered.

5. Upon entry of the Order, BIS will not initiate any further administrative proceeding against Sigma Aldrich in connection with any violation of the Act or the Regulations arising out the transactions identified in the Charging Letters.

6. This Agreement and the Order, when entered, in addition to the record of these cases will be available to the public.

7. This Agreement is for settlement purposes only. Therefore, if this Agreement is not accepted and the Order is not issued by the Assistant Secretary of Commerce for Export Enforcement pursuant to Section 766.18(b) of the Regulations, no Party may use this Agreement in any administrative or judicial proceeding and the Parties shall not be bound by the terms contained in this Agreement in any subsequent administrative or judicial proceeding.

8. No agreement, understanding, representation or interpretation not contained in this Agreement may be used to vary or otherwise affect the terms of this Agreement or the Order, when entered, nor shall this Agreement serve to bind, constrain, or otherwise limit any action by any other agency or department of the United States Government with respect to the facts and circumstances addressed herein.

9. This Agreement shall become binding on BIS only when the Assistant Secretary of Commerce for Export Enforcement approves it by entering the Order, which will have the same force and effect as a decision and order issued after a full administrative hearing on the record.

10. Each signatory affirms that he has authority to enter into this Settlement Agreement and to bind his respective party to the terms and conditions set forth herein.

ORDER

The Bureau of Industry and Security, United States Department of Commerce (BIS), initiated administrative proceeding against Respondents, Sigma Aldrich Research Biochemicals, Inc. (SARBI), directly and as successor of Research Biochemicals Limited Partnership (RBLP), Sigma-Aldrich Corporation (SAC), and Sigma Aldrich Business Holdings, Inc. (SABH); (Respondents are collectively referred to as Sigma Aldrich) pursuant to Section 13(c) of the Export Administration Act of 1979, as amended (50 U.S.C. app. §§ 2401-2420 (1994 & Supp. V 1999)) (Act),¹ and the Export

¹ 50 U.S.C. app. 2401- 2420 (1994 & Supp. V 1999). From August 21, 1994 through November 12, 2000, the Act was in lapse. During that period, the President, through Executive Order 12924, which had been extended by successive Presidential Notices, the last of which was August 3, 2000 (3 C.F.R., 2000 Comp. 397 (2001)), continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. §§ 1701 - 1706 (1994 & Supp. V 1999)) (IEEPA). On November 13, 2000, the Act was reauthorized by Pub. L. No. 106-508 and it remained in effect through August 20, 2001. Since August 21, 2001, the Act has been in lapse and the President, through

Administration Regulations (currently codified at 15 C.F.R. Parts 730-774 (2002)) (Regulations): by issuing Charging Letters that alleged that Sigma Aldrich was liable for violations of the Regulations committed by RBLP and that SARBI was also liable for violations of the Regulations that it committed.

BIS and Sigma Aldrich have entered into a Settlement Agreement pursuant to Section 766.18(b) of the Regulations whereby they have agreed to settle these matters in accordance with the terms and conditions set forth in the Settlement Agreement. Specifically, the parties have agreed to settle the administrative cases for 318 charges, as follows:

- a. 80 exports of biological toxins made by RBLP without the required Department of Commerce export licenses in violation of either Section 787A.6 of the former Regulations or Section 764.2(a) of the Regulations,
- b. 188 exports of biological toxins made by SARBI without the required Department of Commerce export licenses in violation of Section 764.2(a) of the Regulations,

Executive Order 13222, which has been extended by a Presidential Notice of August 14, 2002 (67 *Fed. Reg.* 159 (August 16, 2002)), has continued the Regulations in effect under IEEPA. The Act and Regulations are available on the Government Printing Office website at: <http://w3.access.gpo.gov/bis/>.

² The Regulations are currently codified in the Code of Federal Regulations at 15 C.F.R. Parts 730-774 (2002). The alleged violations occurred from 1996 through 1998. The Regulations governing the alleged violations at issue are found in the 1996 through 1998 versions of the Code of Federal Regulations (15 C.F.R. 15 C.F.R. Parts 768-799 (1996), as amended (61 *Fed. Reg.* 12714, March 25, 1996)) (former Regulations), and 15 C.F.R. Parts 730-774 (1997-1998)). The March 25, 1996 *Federal Register* publication redesignated, but did not republish, the then-existing Regulations as 15 C.F.R. Parts 768A-799A. In addition, the March 25, 1996 *Federal Register* publication restructured and reorganized the Regulations, designating them as an interim rule at 15 C.F.R. Parts 730-774, effective April 24, 1996. The former Regulations define the various violations that BIS alleges occurred through December 31, 1996. The Regulations define the various violations that BIS alleges occurred on or after January 1, 1997 and establish the procedures that apply to this matter.

- c. 25 material misrepresentations on Shipper's Export Declarations concerning the authority to export in violation of Section 764.2(g) of the Regulations, and
- d. 25 failures to maintain the records required under the Regulations in violation of Section 764.2(i) of the Regulations.

I have reviewed and approved the terms of the Settlement Agreement.

IT IS THEREFORE ORDERED:

FIRST, that SARBI shall pay a civil penalty of \$1,760,000 to the U.S. Department of Commerce within thirty days from the date of entry of this Order. Payment shall be made in the manner specified in the attached instructions. Payment of this civil penalty is guaranteed by SAC and SABH, SARBI's parent corporations. This penalty is in complete settlement of the cases pending against Sigma Aldrich, case numbers 01 -BXA-06, 01 -BXA-07, and 01 -BXA-11.

SECOND, that, pursuant to the Debt Collection Act of 1982, as amended (31 U.S.C. §§3701-3720E (1983 and Supp. 2000)), the civil penalty owed under this Order accrues interest as more fully described in the attached Notice and, if payment is not made by the due date specified herein, SARBI will be assessed, in addition to the full amount of the civil penalty and interest, a penalty charge and an administrative charge, as more fully described in the attached Notice.

THIRD, that the timely payment of the civil penalty set forth above is hereby made a condition to the granting, restoration, or continuing validity of any export license, license exception, permission, or privilege granted, or to be granted, to Sigma Aldrich. Accordingly, if Sigma Aldrich should fail to pay the civil penalty in a timely manner, the undersigned may enter an Order denying all of Sigma Aldrich's

export privileges for a period of one year from the date of entry of this Order.

FOURTH, that the Settlement Agreement, this Order, and the record of proceedings as described in Section 766.20 of the Regulations shall be made available to the public.

FIFTH, that a copy of this Order shall be delivered to the United States Coast Guard ALJ Docketing Center, 40 Gay Street, Baltimore, Maryland 21202-4022, notifying that office that the cases pending against Sigma Aldrich, case numbers 01 -BXA-06, 01 -BXA-07, and 01 -BXA- 11, are withdrawn from adjudication, as provided by Section 766.18(b) of the Regulations.

This Order, which constitutes the **final** agency action in this matter, is effective immediately.

Michael J. Garcia
Assistant Secretary of Commerce
for Export Enforcement

Entered this 7th day of November 2002.
